

IB Integration in the Library 11-18-14

Kindergarten:

Discussions about community helpers that keep us safe and organized

Read the following books related to this idea:

Dot the Fire Dog

Police: Hurrying Helping Saving

Trash Town

2nd Grade

After a lesson on vocabulary words related to economy, students independently used CultureGrams to explore a country of their choice and identify their form of currency and the most important way that people in that country earn an income.

3rd Grade

Cultures exhibit change and continuity.

Read Arctic Son, which is about the Inupiat people in the Arctic. That community has preserved some of their ancient cultural practices, but changed and updated other aspects of their lives.

Comparison of Inupiat cultural practices versus our own.

4th Grade:

We did an extensive exploration of Scholastic's "Immigration: Stories of Yesterday and Today" interactive website where students learned about the motivations for and process of immigrating through Ellis Island through photographs, interviews, and videos.
